

RIVALTEC
Corps d'état Technique

ABOUT US

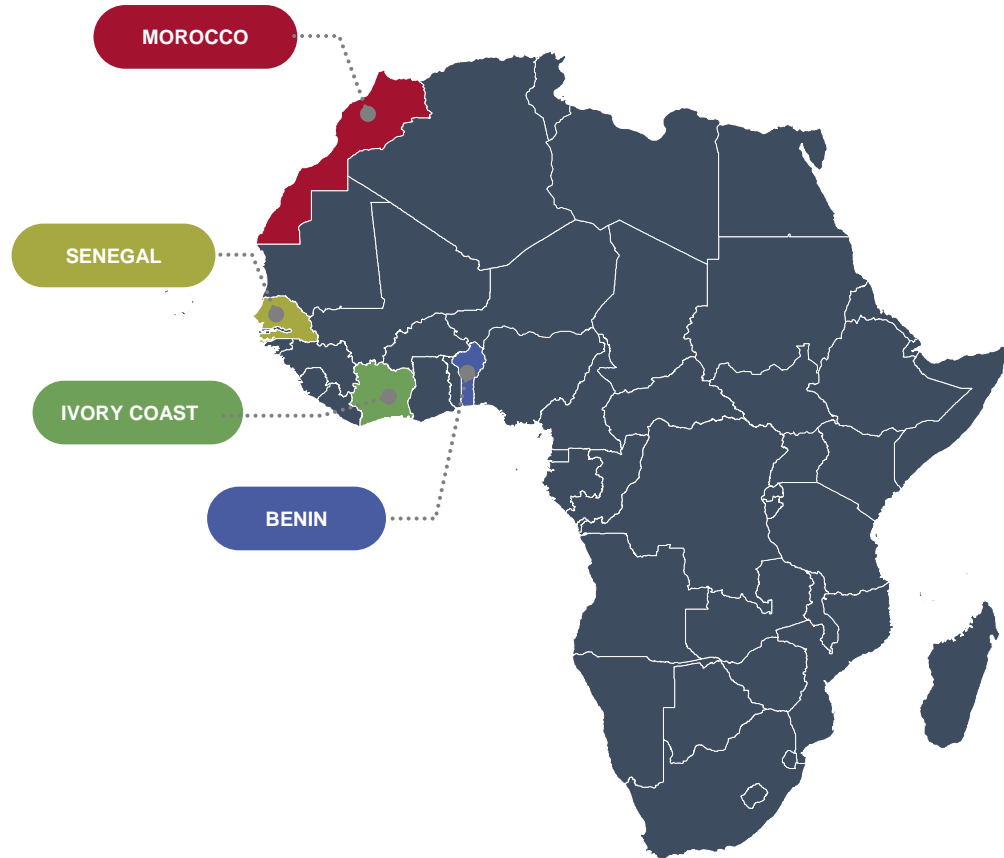

RIVALTEC is a company specialising in technical solutions and multi-technical maintenance, with a strong presence in sectors such as industry, offices, hospitality, residential, education and health. Headquartered in Casablanca with an international reach, RIVALTEC combines years of experience with innovation to offer services in fire protection, ventilation, air conditioning, sanitary plumbing and global technical maintenance.

The company has a team of 220 employees, more than 70 completed projects and an annual turnover of 20 million euros. Its commitment to quality is reinforced by ISO 9001:2015 certification and a constant focus on process improvement.

ONLY EFFORT PAYS OFF

INTERNATIONAL PRESENCE

We operate in several countries, including Morocco, Senegal, Benin and Ivory Coast, providing tailor-made technical solutions that transcend borders. Our commitment to innovation and excellence allows us to adapt to diverse markets and meet the unique challenges of each region. By fostering strong partnerships and leveraging local expertise, we deliver impactful solutions that drive growth and create value for our clients around the world.

CHALLENGE

We know that leading a company to success depends on strengthening the mindset of its employees, who must excel in the art of surpassing themselves on a daily basis, whether in times of crisis or in times of boom.

MEMBERSHIP

The feeling of belonging to the company is the only safe bet that leads to the commitment of one's team. We rely on this state of mind to develop within our human capital a sense of responsibility and commitment to the accomplishment of the missions entrusted to us by our partners.

INNOVATION

Because our cultures, ages and backgrounds are different, we take advantage of this richness to create innovation and engineering in the management of our projects.

CONTINUOUS IMPROVEMENT

We strive for excellence and intend to maintain a high quality service. In this sense, and in order to carry out our mission and guarantee the success of our partners' projects, and as part of a continuous improvement of the quality of our services, RIVALTEC is committed to an ISO 9001 VERSION 2015 certification program.
